INSTRUCTION & INFORMATION SHEET

The California Penal Code Sections 319, 320, 322, 330 and 331 regulates gambling in the State of California. The three (3) basic elements needed to complete the violation of gambling are **CONSIDERATION** (Anything of Value), **CHANCE** and **PRIZE**. Therefore, to legally conduct a gambling operation, one of the elements must be removed. If **CHANCE** or **PRIZE** were eliminated, the appeal or excitement of gambling would not be present. The third element, **CONSIDERATION, MUST BE ELIMINATED**.

To eliminate **CONSIDERATION**, thereby making drawings legal, the following instruction should be carefully followed:

- The words "**FREE DRAWING**" should be printed on the top of each ticket. You should also indicate there is "**NO PURCHASE NECESSARY**" to participate in the drawing. All advertising or printed material should contain this information.
- Suggested donations may be printed on the tickets; however, should be preceded by "**FREE DRAWING**" and "**NO PURCHASE NECESSARY**" and under no circumstances should it be implied that a donation is required before a ticket can be obtained.

"DISPENSING TICKETS"

Those persons dispensing tickets must be prepared to give away **FREE** tickets or provide instructions on how **FREE** tickets may be obtained. The number of tickets dispensed to an individual **CANNOT** in any way be relative to the donation received by the organization.

Examples:

- Participant 'A' donated fifty dollars (\$50.00). In return, he receives ten (10) tickets.
- Participant 'B' donates five dollars (\$5.00). He must also receive ten (10) tickets, the same as Participant 'A'.
- Participant 'C' requests tickets for **FREE**. He must also receive ten (10) tickets, the same as Participants 'A' and 'B'.

Whatever the quantity of tickets decided upon to be dispensed to individuals, it must remain constant for all participants regardless of the amount donated by an individual participant.
